Through the generous support of the Bradley family, a Castro Valley parents, co-owner of the Delizia Olive Oil Co., CVMPS is launching our private label Italian Balsamic Vinegar and California Extra Virgin Olive Oil at about 50% discount off Retail Price.

The Balsamic Vinegar is intensely flavorful vinegar aged 18 years in oak barrels. The result is a blend that offers a subtle balance of sharp, aromatic flavors. It's perfect for making salad dressings, pouring over grilled meats and vegetables, or mixing with extra-virgin olive oil as a dip for crusty bread.

The olive oil is a Delizia Special Reserve Extra Virgin Olive Oil, pressed from olives grown in California. It was pressed less then 90 days ago and qualifies as an Aceite Nuevo olive oil. Its character is vibrant with a deep green color, clean flavor and pleasant peppery finish.
